

# NOMADS TACTICAL

## Active Shooter Seminars

If your office, campus or church is searching for information on Active Shooter classes, Nomads has a 45 minute info presentation to help you make an educated decision while offering a few options, whether it involves firearms or not. This presentation can be done at any location in less time than a typical lunch hour. Make it a 'Lunch & Learn' event.

Contact us to schedule a time & date.

Nomads Tactical Range & Training Facility is now the largest public training range in the greater Tyler, TX area. We have more than 382,000 sqft of training space and options typically found only at law enforcement facilities. Come see why Nomads is a dominant player in the self-defense training community and growing so fast.
